Online and Ongoing Angel Pets Expo
Sponsorship Levels

The **new Angel Pets Online Expo** format will be an opportunity to continue to reach and stay connected with people during this restricted time.

There will be events on May 2nd, 2020 as well as networking socials pre and post this event.

This **gives lots of opportunity to promote dedicated Sponsors**, their commitment to quality care of pets and pet parents. The idea for this is now to stretch beyond just one large Expo event day and to include Ongoing activities and connection. Please know that this is a work in progress, dynamic and will be continually evolving to meet needs and demands.
